Pen Green Conference

Understanding Children's Experience of Change and Transition

A free one day conference for early years practitioners and teachers

Keynote by **Anne O'Connor** on ***Understanding Children's Experience of Change and Transition***. This will include vertical and horizontal transitions and a focus on physical and motor readiness for school from **Anna Daly**.

Case studies from the Erasmus Project including Involving Parents in their Children's Learning: developing a parent professional partnership to ensure continuity from early childhood education and care.
