We thank you for your **trust**. Our relationship is built on mutual **respect**, **openness** and **honesty**.

Everyone can **be himself**, because **diversity** is strength. You can find a place with us, regardless of your background or capabilities.

That's **inclusion**.

With a lot of **warmth**, we offer your child the necessary **development opportunities** to a **solid start** in life.

We **involve** you and your family as much as possible. So you also **meet** the families of the other children.

It requires a lot of **commitment** to keep our care **accessible** and **flexible**: we do it for you!
